**Subject:** FW: FFRF v. Abbott, et. al. Discovery Requests

Anna: Attached is written discovery to defendants. The discovery is intended to be directed to each of the defendants. If you would like me to send 2 sets, I can do that. Just let me know, as that can certainly be important.

Incidentally, is it still your position that you will not identify except through written discovery the individuals you reference in the Governor's Office who were supposedly responsible for demanding removal of FFRF's display? It seems a little disingenuous for the Governor to duck ownership of his letter, while refusing to identify the persons who he says I should be talking to. It does seem a little like a hide the ball trick, but I'll keep trying to get to the bottom of it.

See you on Monday. Rich
